Facts

- Comfortable standing: The special geometry of the step padding provides a cushioning effect on the front edge of the step and thus increases the comfort for the user – especially when working on the ladder for longer periods
- Comfortably supporting oneself on the next step makes work easier and increases safety, as the soft step padding provides a pleasant and secure hold
- The-relax-step-padding-is available-as-a-variant-for-many-ladders-please-note-the-addition-clip-step relax-after-the-product-name

We reserve the right to make technical changes and price changes.
