Sponsored by BG BAU

Specification subject to conditions; for the latest information please visit the BG BAU website (statutory accident insurance company for the construction and construction related services in Germany). Since 2014, the BG BAU has been promoting the purchase of platform ladders, step stools and ladder accessories with single-sided and double-sided access. All members of the BG BAU profit from this. This aims to prevent work accidents on building sites and improve ergonomic working practices. For more information by BG BAU, please visit:
